Lions Club to Hold Dance and Hard Time Fete

Party May 20, Channel Lake Pavilion Will Be Open To Public

A "hard times" party and dance was the subject of plans discussed by the Antioch Lions club at a meeting Monday evening in Soper's Spa. The dance will be held Saturday evening, May 20 in the Channel Lake pavilion and will be open to the general public.

The wearing of costumes in keeping with the "hard times" theme will be optional, it is announced. Prizes will be awarded for the best outfits. The dance is to be in cabaret style, with refreshments served at the tables, and there will be games and other entertainment. Arrangements are being made to secure an orchestra for the dancing.

Plans were also made for sponsoring a series of social entertainments for young people of high school age in the Antioch area.

Brooks Gives Talk

A roast beef dinner was enjoyed prior to the business meeting.

A navy diver who had been scheduled as the speaker was unable to be present, and instead a brief informal talk on army life and artillery training by Pvt. William E. Brook of the Lions club, who is home on furlough from Camp Fanning, Texas, was enjoyed.

Senior Class Play to Be Given April 20 and 21

(By Leitha Paulsen)

If you were to walk into the auditorium of Antioch High School any afternoon after school, undoubtedly you would find it a very busy place, but if you are the least bit interested in the "glamorous theater," you would feel right at home. You might stop for a few minutes and enjoy the many activities in progress during the rehearsals of "Out of the Frying Pan," the play to be presented by the Senior Class on April 20 and 21.

As the stage crew industriously nail scenery together, and the paint crew experiments with a paint brush and some cold water paint, Kate says, "The girl who saw the murder must rise—She must walk to the bed and pull away the blanket." Then there is a terrifying scream, and some stranger runs onto the stage to inquire if something is wrong. After this "unwelcome interruption," the prompter calls, "Quiet backstage," and picks up the cue. There is a second scream. This time no intruders stop the action and the practice continues. You would do well to leave the rehearsal and return for the public performance when the paint crew and stage crew have their colors blended and their flats in place, when the properties don't have to be imagined, and removal of coats and wraps pantomimed—when all committees have completed their tasks.

All of which is apropos to the two performances of Francis Swann's popular play, "Out of the Frying Pan," to be given by the Senior class in the Antioch High School auditorium on the evenings of April 20 and 21.

This is a fast moving modern comedy. Last year it was a popular New York hit... one of the best of the season. The cast is proving satisfactory and rehearsals are well along.

The play is under the direction of Miss Leitha Paulsen. Assisting with ticket sales and committee work are Miss Ethel Dixon and M. M. Stillson, sponsors of the Senior class.

News of the Boys in Service

Pvt. Lester J. Longly, home on an 11-day furlough from Camp Gruber, Okla., dropped in the other day to express thanks to the Antioch News and the American Legion for sending him the home-town newspaper. "Les" likes the army life, he says.

Pvt. John J. Smith is stationed at Fort Custer, Mich., MPRTC, 26th Tng. Bt., Co. D.

Pvt. Earl G. Goodwin is on the New York APO list.

Robert Brennan, ACMAI, is at Shoemaker, Calif.

"Well, this is a Yank from England again," Cpl. Donald A. Nelson splashes through with a communique, "writing to let you know that everything is o. k. over here. The sun was shining today, and that is something new for us fellows to see. But there are a lot of places tougher than this, so we don't have much to complain about."

"It is pretty damp over here, as you probably know, but it is like this all of the time. These people would not know what to do in a place like Antioch where it is warm eight months out of a year. (Ed Note—And just what do you mean by 'warm,' Bro. Nelson?)"

"I see by the new—when I say 'news' I mean the Antioch News—that everything is on the up-and-up in our good little town. And for the paper, it is swell to get and I read every line of it. Can't you add a few more pages to it? (That's how good it is.) And I want to thank each and every one of you again for sending it to all of us fellows. (It seems I have a new APO number (633) again. Seems like I have a new one every time I write. It is chow time now, so I will have to say 'so long.'"

Lts. Johnnie Nelson and Herman Meinersmann gang up on their letter from England—

"We have been getting the Antioch News pretty regularly since we have been here. Herman and I live in the same shack, so we now get two copies each week. The number one desire of every soldier is to get home, but until we can, we appreciate all the mail we can get from our homes and vicinity."

"If any of the fellows stationed over here drop us a line, we may be able to drop in on them."

"I was just looking through one of the old editions of the Antioch News," observes Joseph James Prucha, SK 2/c, c/o San Francisco Fleet Postoffice, "and noticed Bud Kueera's article, which pleased me very much. I tried to locate him once before and did not have much luck, but I will try again."

"I have been receiving the papers regularly and enjoy them very much, even though they don't get here until they are a couple of months old, but then you don't mind that at all because none of the mail ever gets here until it is ready to vote, and with the coming election God only knows what will happen to it then."

"It is getting late, so I guess I will be closing for now, so until later keep on buying bonds and we will do the fighting."

A change of address for Ens. Richard F. Truax, USNR, c/o Fleet Post Office, San Francisco, is sent in by Mrs. A. N. Truax, Elkhorn, Wis.

Carleton A. Abbs, husband of Mrs. Edna May Abbs, 293 Park avenue, has been promoted from the grade of private to that of private first class at the Engineer Unit Training center, an Army Service Forces installation commanded by Col. Holland L. Robb.

Road and Bridge Fund Is Largest Township Expense

Poor Fund and Road Improvement Have Largest Balances Left

Antioch township's road and bridge disbursements accounted for the largest expenditure, \$8795.05, among the funds administered by the township during the fiscal year, March 30, 1943, to March 30, 1944, according to the report of the supervisor, William A. Receipts from local tax collections were \$7670.00; from the sale of gravel, \$36.71, and from the sale of real estate, \$800.00, with a total of \$9620.23. Services Saturday to Honor Former Millburn Woman

Memorial services for the late Mrs. Alice Mathews-Kerr Clark will be held at the graveside in Millburn cemetery Saturday afternoon at 3:30 o'clock when her ashes, which are being brought here from Schenectady, N. Y., are interred. It is requested that flowers be omitted.

Mrs. Clark passed away March 4 at the home of a daughter, Mrs. William Bennett of Schenectady.

She was born in 1857 and was the daughter of Charles A. and Myron Simmons Mathews, who lived north of Millburn.

In 1877 she was united in marriage with John A. Kerr, who passed away two years later. A son, John A. Kerr, Jr., who was born to them died in 1902. In 1889 she became the wife of the Rev. Victor F. Clark, who was pastor at Millburn.

They later moved to Nebraska, where Rev. Clark served as pastor of Congregational church for many years. Two daughters were born to them, Margaret, who died in infancy, and Martha, now Mrs. Bennett.

He was also re-elected president at an organization meeting held by the board afterward, and Mrs. Helen Osmond was re-elected secretary.

Mrs. Ida Kufalk was re-elected president of the Antioch Grade school board, District No. 34, for a one-year term at an election also held Saturday. Arthur Laursen and Henry Rentner were re-elected for three-year terms and H. E. Cardiff was chosen to fill the unexpired year remaining in the term of A. G. Simon, who has moved to California.

All were unopposed. At an organization meeting of the grade school board Wednesday evening, Mrs. Myrtle Klass was re-appointed secretary.

The Antioch Rescue squad was called to Fox Lake this morning at 8:10 o'clock, when Frank Stanton suffered a heart attack. Oxygen was administered by the squad members, who found him unconscious on their arrival, and an ambulance was summoned from Waukegan to remove him to St. Therese hospital. He was reported to be somewhat improved later in the morning.

Wednesday afternoon at 2:45 o'clock the fire department received a call to the R. C. Abt home for a grass fire; at 2 p. m. today there was a call to the Frank Lux place on Bishop street, and at 2:30 another, to the George Eaton place on Beach Grove road, both for grass fires.

Benson Wins Nomination for Secy. of State

Light Vote, Few Contests Mark G.O.P. and Dem. Primaries

With a vote that was characterized throughout Illinois as "the lightest since 1926," Gov. Dwight H. Green's slate of Republican candidates was accorded the nomination in the primary election Tuesday, with Arnold P. Benson taking the lead over William G. Stratton for secretary of state.

In Lake county, the outstanding race was for the office of coroner, with Garfield R. Leaf of Waukegan taking the lead over Dr. Donald Cook of Lake Zurich on the Republican ticket, with former sheriff Lester Tiffany third. The Democratic slate was practically without contests.

General Douglas MacArthur, whose name was entered on the Republican ticket without his consent as nominee for president, was early reported as polling 75 per cent of the G. O. P. vote. No candidate for president was listed on the Democratic ballot, but the name of Franklin Delano Roosevelt was written in, it is reported, in many cases.

Republican nominees on the state list were, for United States senator, Richard J. Lyons; for governor, Dwight H. Green; lieutenant governor, Hugh W. Cross; secretary of state, Arnold P. Benson; attorney

Trucks Help Back Up Honor Roll Sign in Wind

Dump trucks brought back by Rentner and Jones from government construction jobs for re-building and left in the village parking lot were backed up against the Honor Roll sign to brace it against the high winds blowing early Tuesday morning when it began to sag under the pressure of the near-hurricane.

A window in an outer door at the Antioch cafe was shattered and limbs were blown down from trees, but little other local damage was reported. Greater damage was announced to the east and west of this vicinity, with windows shattered by the suction of the storm in a number of Waukegan business establishments, electrical service disrupted in Waukegan and North Chicago neighborhoods, and large trees blown down.

The roof of the Gerdan Johnson grandstand at Fort Sheridan, which served as an observation post at the famous horse shows in peace time, was blown off, and a tree was blown over in front of one of the WAC mess-halls.

Four huge trees were blown down on North Sheridan road between Glen Flora and Greenwood avenues in Waukegan, making necessary the re-routing of busses and automobile traffic. The top gust in Waukegan reached a 77-mile velocity.

The Antioch fire department was called out for grass fires in the slough back of the Warriner subdivision this morning at 8:15 o'clock and last Thursday afternoon. No damage was reported.

Frank Discussion Needed

Until very recently, a majority of people gave little heed to public spending. Everybody from chambers of commerce to soap box orators devoted a large share of their time figuring out how to get a bigger cut in Federal handouts. The trend for years has been toward bigger and bigger peacetime Federal budgets and more and more debt. As war loomed on the horizon, prosperity spread through the land on the wings of borrowed money.

Today the lid is off, with hundred-billion-dollar budgets and 50-billion-dollar deficits. The country has borrowed its way into an unprecedented war boom. As a result, taxes are now making people realize that the government must collect money as well as spend it, and that it must eliminate peacetime prodigality, the same as an individual.

Politicians, Republicans and Democrats alike, have shied away from a frank discussion of the nation's financial problem, either because the pay envelope of every wage earner is involved, or because they honestly don't know the answers. That is inexcusable when the solvency of the country and the savings of every individual are at stake.

When the Lights Go on Again

We never hear a plan for post-war living mentioned—and we hear many of them mentioned—without wondering what those men who are scattered all over the world with the American expeditionary forces would think about them.

Some of those plans are not so bad, as plans go. Maybe some of them will even help a little. And no doubt it doesn't hurt anybody to do a bit of wishful thinking now and then.

A thought that occurs to us, however, is that maybe

this war isn't going to end like the last one, pretty suddenly, with an armistice, and a whoop and hurrah, and a return of the boys within a few months.

Maybe it isn't going to end like the pressing of an electric light switch button, suddenly, with a blazing out of the lights, a full gas tank for everybody and no more rationing, just like that!

Maybe it's going to end slowly and grudgingly, with strife and dissension and bitterness, with the lights going on just one by one, surely, steadily, but not with any grand rush and hurrah.

Maybe we're living in the post-war period, just a little, right now while the war is going on, and don't know it. Perhaps the hardest part of it all is going to be ahead of us, as the war is gradually won. We don't mean a sudden letting down of all war-time grimness, nor a sudden spurge of prosperity and a sudden depression following, but a whole lot of work caring for our own injured and their dependents, repairing war-time ravages, and giving aid to as many of those in distress throughout the world as we can.

Maybe when this war is over we aren't going to step right back to the sort of world there was just before the war—at least, not quite. Perhaps things won't ever be quite the same. In some ways they may be worse, and in some ways—better.

It's quite possible that we may be entering upon the greatest era of construction, commerce and enlightenment that the world has ever seen.

Unless we miss our guess, if that is true our boys are going to want to be right out there in the front ranks of progress when they get back from the wars. They aren't going to be so much interested in what the government is going to do for them as in what they're going to do. They aren't going to ask for charity—they're going to take over jobs.

It is possible that we're wrong, but we aren't doing much worrying about what's "going to happen about the women who've taken over men's jobs." We have a pretty strong hunch that there's going to be enough work, and maybe too much for everybody for a long, long time.

Yessir, if we're right (and we sometimes are) it looks to us as though we're not only going to win the war, but as if things are going to be downright lively for a pretty long time thereafter.

We hope we are around to see it.

PUBLIC SERVICE Homemakers' Bureau

shows you how to get the most out of your present lighting

An advisory service to afford you greater benefit from your lamps and appliances.

Wash lamp bowls and clean bulbs with damp cloth frequently, to get from 25% to 30% more light from your lamps. Never place bulbs in water.

Lighten your shades. Dark shade linings are light robbers. A coat of white paint will turn parchment or metal lampshades into better reflectors; sometimes a damp cloth will clean such shades. Relieve fabric shades with white or light material.

Avoid direct glare from lamp bulbs or bowls by using shades that are deep enough.

Make lamps do double duty. Two people can have plenty of good reading light from a single lamp, if the lamp is placed between them. Group your chairs around your lamps.

Six suggestions for better light ... better sight

Sit close enough to the lamp to get all the help it can give your eyes. A difference of a few inches may mean 50% less light on your task.

Use correct bulbs. Be sure to replace those burned out with correct size. Smaller or larger bulbs might not be as efficient. Check your needs at our Lamp Exchange counters.

There'll be a wide selection of lamps for your post-war home

Most lamp manufacturers nowadays are busy with war work. That's why there are few lamp styles to choose for your home.

With victory, these manufacturers will return to their peacetime pursuits, and there will be lamps galore. Once again, dealers' showrooms will be gay with lamps designed to suit every taste, meet every need, enhance any setting.

We look forward to this day of better light, better sight with the

same pleasant anticipation as do our customers. Meanwhile, we urge you to follow these suggestions for making the most of the lighting you have... wartime ways to take fullest advantage of the electricity you need.

Church Notes

METHODIST CHURCH Antioch, Illinois

Easter Sunday brought to its close the most gratifying Passion Week the Church has experienced in many years. Attendance at the evening services during the week exceeded all expectations. Greatest of these was the "Lighted Cross Communion Service" on Good Friday. Considerably over a hundred were present, most of whom partook of the Communion. About thirty of the communicants were from the Church School. Many pronounced this the most beautiful, inspiring, and spiritually invigorating service in the history of the church.

The crowning service of the week was on Easter Sunday morning. A capacity congregation gave undivided attention to the program, consisting very largely of music by the senior and junior choirs. Between musical numbers the Sacrament of baptism was administered and several new members were received into the church. The pastor brought a brief message on "The Last Breakfast" emphasizing the truth that the new life made possible at the Easter season brings added responsibility, and opportunity for service.

The most fitting floral offering added much to the beauty and inspiration of the occasion. For these the Church is exceedingly grateful.

Warren C. Henslee, Minister.

Lumber Co. Looks
Like Winner in
the Major League

With the Major league winding up the season with next week's session, the Antioch Lumber and Coal company team looks like a sure thing for first place. The Lumbermen have been on top for most of the latter part of the season and have really put on a "hot" pennant drive during the past few weeks, winning something like 10 of their last 12 games. This week the victim was Bussie's Bar, the Lumbermen winning two, with Ed. Vos starring for the winners with a 592 series.

The Antioch Recreation team, in second place, won two Friday night with Elroy Anderson high with 606 Henry Greve was high for the opposing team, Terlap Roofing, with 592. "Lucky Lou" Nielsen's team took one game when they met the Berg-hoffs.

Tavern League Bowler Shoots 280 Game Mon.

Russo of the Little America team rolled one of the highest games ever scored on the Recreation alleys when he topped 280 pins in a single game Monday evening when the Tavern league met. The Little America's won one game from Bluhm's, and we'll bet that the monster game was the one Duda's team took.

All matches were settled two to one with Italings winning two from Hanks. Buds capturing two from Nielsens, Friedies sinking Thompsons for two, Pasadena taking the lead over the Recreation, and Sorensens winning two from Andersons.

Besides Russo's 280 game, other outstanding scores were piled up by Heine Greve with 596 for series and George Mavis of Friedies topling 594.

CAREY ELECTRIC AND KEULMAN BROS. WIN THREE GAMES EACH

Carey's Steamfitters were on the beam for fair last Thursday when the Businessmen's league assembled. When the smoke had cleared away, and things had quieted down a bit, a scrutiny of the score sheets showed that Keulman's and Carey's had each won three straight over Pickard's and Hans and Mabel's.

Burt Anderson's Coca Cola Kids went down in defeat under the heavy guns of Pregenzer's to the tune of 2 to 1.

The Lions club won two from J. Meyers, as did Dr. Hays over Gus and Betty's. The Antioch Milling Company won two from Friedle's.

Many Congratulate Solomon La Plant on 54th Anniversary

A family dinner for 20, served at 12 o'clock, and a reception in the afternoon which was attended by 50 were features of the 54th wedding anniversary celebration, honoring Mr. and Mrs. Solomon LaPlant at their home on South Main street.

Those present to join in the celebration included their sons and daughters, Homer La Plant, Linda Dalgaard, Bertha Drury, Letha Schumacher and their families, and Miss Mildred LaPlant, Chicago; their 13 grandchildren, and friends from this region and from Chicago and Waukegan.

The La Plants are old-time residents of Antioch and have been closely identified with its community affairs since the late 1800's. Throughout the years they have made many friends who were happy on this occasion to join in the congratulations to the couple.

Card of Thanks

We wish to thank all who helped to make the St. Peter Altar and Rosary society's Easter Monday card party a success. In particular we thank those who made donations, including prizes, and the guests, especially those not members of our parish, who so graciously volunteered to assist our committee members in the kitchen and in serving.

Mrs. Michael J. Golden, chairman.

In Memory of Our Father who passed away one year ago, April 12

A precious one from us has gone,
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.
God in His wisdom, has recalled,
The boon his love had given,
And though the body slumbers
here,
The soul is safe in Heaven.

News of the boys

(Continued from page 1.)

at Camp Claiborne, La. At the time of his promotion Pvt. Abbs was serving in the 688th Engineer Base Equipment company, under the command of Captain Rowalsky.

Pvt. William E. Brook, who has been home from Camp Fanning, Tex., on a ten-day furlough, was a visitor at the News office Saturday morning.

From Av/S Russell F. Roepenack, Ryan Field, Hemet, Calif.—
"This is a Primary training base and is really the tops."

"I have eight hours of flying time in and expect to solo Monday (I hope). We are flying Ryan PT-22's. They are swell little ships and handle very well."

"My wife, Janis, is coming here within a week."

"Cadet training really builds up a person. I have gained 30 pounds in about eight months."

"I've always wanted to see the south—especially Florida—and wondered why people came here. I'm stationed here at Daytona Beach, and now I can see how really beautiful this country is." Fred J. Zilke, AMM 2/c, writes.

"The people are really swell, always a good word. The beaches are nice and the water perfect."

"Well, I could go on and on, talking of this resort, but never fear, I still think Antioch is the place in which to live."

Zilke is attending Day Engineering Naval Air station.

A view of the Breakers hotel is shown on the card Capt. L. J. Zimmerman set from Miami Beach, Fla., April 3, to announce his approaching transfer to Chicago.

Herbert Prange, who was returned to this country for medical treatment after serving overseas with the U. S. army, has been granted an honorable discharge.

"Greetings," says Pvt. Cecil L. Anderson. "The News has been catching up with me and it sure is a treat. I've met a lot of real veterans of the Pacific war. I've been up in combat for some time now and have been through the usual assortment of air raids, etc., that goes with it. I'm doing pretty well, and even though I can't say I enjoy life over here, it's not too bad, except for lack of beer and recreation."

"My wife is still at Warren Robbins field, Ga., and is doing well at her job of aircraft instrument repairing."

"We have a shower now, rather crude, but welcome, so I skip the swimming, for the water isn't what it might be. I boil my clothes in half a barrel and hang them on the tent ropes to dry. They show plenty of tattle-tale gray, but I'm lucky to be so well off in this hell-hole of a jungle. The 'wait-a-minute' vines take quite a toll of flesh and clothes, for they are equipped with thousands of iron-hard fish hooks. We have a centipede for an unwelcome bed partner now and then, nine-inch ones at that. Their bite is worse than the kick of a mule. I haven't tangled with any yet, but have killed a few."

"Mosquitoes are big and hungry, but not too plentiful, for over here."

"I was on the Fijis for a time. The fresh fruit was the best part of it, and the scenery. The 'Bula's' (natives) were friendly, but plenty black. 'Bula' is really a native greeting, used for hello, goodbye, and most everything else friendly. Every soldier was Joe, and 'Bula Joe' was the first thing I heard there."

"I enjoy the heat over here, much to the amazement of many of the others, and I never dream of a white Christmas. A clean shirt and hot bath are my dream, although I never wear a shirt any more except at night against mosquitoes. The din of insects, birds, etc., at night is terrific, when you can hear them."

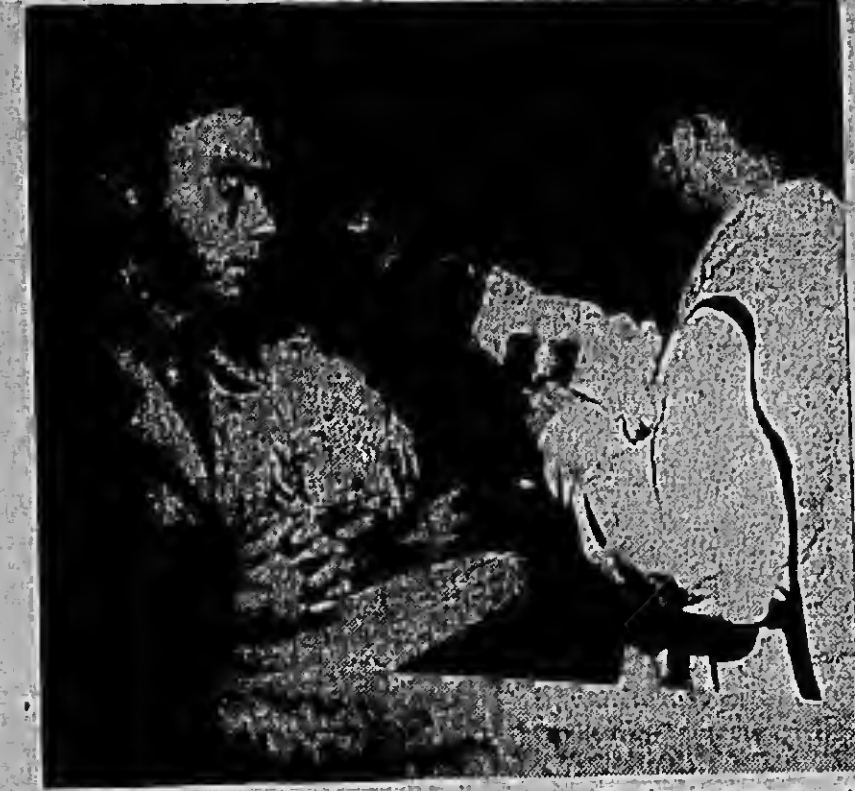

"Well, it's almost dark, so I'll close my epistle and hope for the arrival of my next 'News.' There is generally such an argument going on over whose state is the best that time passes quickly."

Cpl. Peter Jeevecius, son of Mr. and Mrs. Stephen Jeevecius of Antioch, who has been stationed in England for the past 18 months has been awarded the good conduct medal. His parents have received a letter from his commanding officer praising him highly. Joining the army in May, 1942, Jeevecius is with an engineering battalion of the air corps. He received his rating as technician while in England.

Pvt. Frank H. ("Hi") Willett, who has been stationed at Hammer Field, Fresno, Calif., arrived home Tuesday to spend a "several days" furlough with his mother, Mrs. Clara Willett. He has just completed a course in aircraft maintenance at a P-38 school at Burbank, Calif.

It's Staff Sergeant Lorraine O. Pape, as of April 3, when her promotion was announced at Alamogordo, N. Mex., where she has been stationed at an army air base with a WAC detachment. Sgt. Pape is on furlough here visiting her parents, Mr. and Mrs. Henry Pape of Lake Marie.

ANTIOCH MAN AWARDED PURPLE HEART

Waukegan News-Sun Photo

Staff Sgt. George Brya, 28, son of Mr. and Mrs. George Brya of Antioch, has been awarded the Purple Heart decoration for wounds received in action on Bougainville. Brya, who is convalescing at a hospital base in the southwest Pacific area, is pictured above at the left, as he received communion during a Catholic mass on Bougainville. At the right is Cpl. Theodore R. Kon, Oswego, N. Y.

Chaplain Casimir Andruskevich is officiating at the service. Brya, a graduate of Warren Township High school, was employed at the Imperial Mink farm near Wadsworth. He entered the army with the National Guard in Waukegan in October, 1942, and has served overseas 19 months. A sister, Alice Brya, is an army nurse.

Benson Wins . . .

(continued from page 1)

general, George F. Barrett; State auditor, Arthur C. Lueder; state treasurer, Conrad F. Becker; supreme court clerk, Earle B. Searcy; congressman-at-large, Stephen A. Day.

Democratic state nominees were, for United States senator, Scott W. Lucas; governor, Thomas J. Courtney; lieutenant governor, Edward C. Hunter; secretary of state, Edward J. Barrett; attorney general, Sveinbjorn Johnson; state auditor, William Viars; state treasurer, Earl W. Merritt; supreme court clerk, Casimir Griglik; congressman-at-large, Emily Taft Douglass.

The total vote cast in the state was estimated at around 1,100,000. Blustery weather, with rain driven by wind of gale intensity, that blew out windows and uprooted trees, was believed partly responsible for the light vote, in conjunction with the fact that there were few real contests for the various offices, and the additional fact that many qualified voters are serving in the armed forces under circumstances that make absentee voting difficult.

Stratton Carries County
While Benson took the lead in Chicago and downstate, Stratton was credited with an easy 4-1 majority in Lake county.

Leaf's majority over Dr. Cook was estimated at 2-1 and 4-1 over Tiffany for the Republican nomination for county coroner.

Congressman Ralph E. Church, up for re-election, took an easy lead in Lake county, as through the Tenth district, to secure the G. O. P. nod.

Nick Keller of Waukegan and Harold Kelsey of Barrington, were without opposition on the Republican ticket for re-election as state representatives from the Eighth district, but Thomas A. Bolger of McHenry had a real campaign to win the Democratic re-nomination, with Theodore Ruesch of Zion garnering 2,217 Lake county votes to Bolger's 1,161. However, Bolger's Boone and McHenry county majorities gave him a sufficient lead to win the primary.

Ray Paddock of Round Lake was nominated for re-election as state senator over Albert E. Nordstrom of Waukegan in the three counties.

Justus L. Johnson received the Republican vote for clerk of the Appellate court; James S. Kemper, and Henry Pope, Jr., led in the race for delegate to the national Republican convention; Herbert A. Dlig and Allen E. Hoban were leaders in the vote for alternates; William M. Marks was elected to the state central committee; Charles E. Jack was elected senatorial committeeman.

Other Republican winners in Lake county were Harry A. Hall for state's attorney; L. J. Wilmet, circuit court clerk; Howard W. Scott, county recorder, and Robert J. Pearsall, county auditor.

On the Democratic slate, Joseph Jadrich was written in by a number of voters for state's attorney and Jack Hoff for circuit court clerk, although no filings had been made for these offices. Hoff, a Waukegan real estate man, ran for the recorder of five 12 years ago and is still popular with the Democratic electorate.

Stratton Leads in Township
Antioch township Republican tabulations, listed in detail in this issue of the News, and the Democratic tabulations, amounting to only 49 votes in Precinct 1 and smaller numbers in 2 and 3, followed the state pattern in general.

As in the county, however, there was one important exception to the state vote, with Stratton polling 525 votes from the township's three precincts for secretary of state, to Benson's total of 62.

The veteran James Stearns won over Homer R. LaPlant for Republican committeeman from Precinct 2, 177-110, after a campaign marked by some energetic, although good-natured, electioneering on both sides. Louis Pregonzer, unopposed, received 230 votes in Precinct 1, and Arthur

LAKE VILLA

The Community church was filled with worshippers last Sunday morning and evening for the Easter services which were inspirational and beautiful. The Eastern Star and Masonic chapters of Millburn who have many members here, were special guests on Sunday evening and enjoyed a social hour in the church dining room after the service when Mrs. William Weber served refreshments.

The Woman's Society of Christian Service will hold its quarterly birthday pot luck dinner with Mrs. Paul Avery, Sr., at her home Wednesday, April 19, and the January, February and March birthdays will be observed.

Carl Seeger, his daughter, Mrs. Ira V. Bailey and family of Kenosha attended church services here last Sunday and were dinner guests of Mr. and Mrs. Richard Whitaker at Sand Lake.
